- Professional Development Workshops for Schools and other Educational Institutions

What Our Alumni Say:

Helen Furtado
EYP Coordinator &
Educator, Pune

"The PGD in ECE has been a game-changer for me. It deepened my understanding of the STEAM approach and the value of play in early childhood learning."

Sabah Yusuf Darvesh
EYP Educator, Pune

"This programme challenged me to think critically and grow as a reflective practitioner. The mentorship and action research components were invaluable."

Neha Bora
Director & Co-founder,
Kaizen Early Years, Pune

"As a director of an early years centre, the PGD in ECE equipped me with innovative play-based practices that I have integrated into my school."

Reaia Phira
Director & Educator, Shillong

"This programme has transformed how I see and understand children and childhood. It has deepened my understanding of how children perceive the world, their place in it, and the impact they can make."

Charisma Melwani
Language Development
Educator, New Delhi

"The decision to take this course has been extremely rewarding. The PGD in ECE challenges one's thinking and inspires one to become a reflective practitioner. I was lucky to have amazing mentors to personalise and support my learning."

Nibha Rani Borah
PYP Educator, New Delhi

"I have done many courses related to early childhood education, but after 17 years of teaching and professional development, I can confidently say that the PGD in ECE at ITARI truly stands out. It has taught me to reflect, refine, and continuously improve my teaching practices. It has been a great opportunity for my professional growth."
